Principal

Brandi Mancini
Assistant Principal

Matthew Kalich
Assistant Principal

Laurel Highlands High School has updated the career portfolio requirements beginning in the 2011-2012 school year. The career portfolio committee agreed to make the changes in efforts to provide a more meaningful, focused experience to our students. Our goal is to provide students with the best education and most opportunities to be successful once they graduate and the changes to the career portfolio requirements will help us in doing that.

The senior class of 2012 will have the choice to complete 24 hours of community services, as previously required for their senior project or to complete and present their project based on one of the Junior Experience Plans. If the student makes the choice to complete and present on the Junior Experience Plan, they must complete all required documents that accompany the plan that best suits them.

All other students, grades 9, 10, and 11 will be required to complete the updated requirements for their career portfolio.

All changes and documents are accessible on the district's website at www.lhsd.org.

If you have any questions regarding the updated material please contact your child's guidance counselor or the Senior Project Coordinator Ms. Kerry Rice.
