

How to receive instant notification via email or text message to cell phone of a school delay

Go to: <http://www.thepittsburghchannel.com/closings/index.html>

On the left column, you will see a list of the schools in alphabetical order that have reported delays or cancellations.

If you want to receive instant notifications by either email or cell phone, look at the right column. Type in your e-mail address that you are able to access from home, on the right side.

Select the letter “L” on the drop down menu for Laurel Highlands School District.

Click “Next Step”

School Closings E-mail Sign-up 

Sponsor:

Sign up to receive e-mail notification when school and institutional closings or delays are issued for your area.

1. Enter your e-mail address.
2. Select the first letter or digit of your institutions's name or district.
3. Click "Next Step".

Enter your e-mail:

Select the first letter of your school or institution:
 ▼

Please remember to sign up for both your local school alerts and your district alerts. That way, you'll be sure to get the closings issued by the district and those issued for just your local school.
