LAUREL HIGHLANDS SENIOR REFLECTION PAPER CAREER PORTFOLIO REQUIREMENT

As part of the Laurel Highlands Senior Portfolio Requirement, your son/daughter is required to write a two page Senior Reflection Paper.

The Senior Reflection Paper must be completed by all 12th grade students and turned in by the end of the day on January 9, 2012 to their mentor/homeroom teacher. The purpose of the reflection paper is for students to reflect back on their choices with regards to the Career Portfolio throughout their high school career and reflect on their experiences, thoughts, and growth. The reflection should include but is not limited to:

- Relationship of 9th and 10th grade job shadowing to future plans
- Thoughts on why choices remained the same or why choices changed
- What was learned through the Career Portfolio Project
- Impact of Senior Project
- Future goals upon graduating
- What is being done to accomplish these future goals

If there is a question concerning writing the Reflection Paper, please contact your child's Guidance Counselor. Thank you for your time and assistance in this important educational matter.
