

## SMART and Lumio Training Agenda

### *Advanced Session*

Laurel Highlands School District

August 9, 2023

#### Getting Started (15 min.)

- ❑ Go to [hellosmart.com](https://www.hellosmart.com), Join as a Guest, **Class ID: 786 763**  
→ Or join directly at <https://www.hellosmart.com/link/786763>
- ❑ Introductions
- ❑ Review session objectives & today's agenda

#### Classroom Application of SMART Board MX (10 min.)

- ❑ Overview of the different ways to use the SMART Board
  - ❑ tethered vs. untethered experience

#### Next Steps: Sign in and Customize (10 min.)

- ❑ Sign into your SMART Board using Google and your school email
  - ❑ Benefits of signing into iQ
  - ❑ Tips for teacher use and management of signing in
- ❑ Personalize your settings
  - ❑ Save Whiteboard files to Lumio: Settings > Files Library > Default Whiteboard Location
  - ❑ Enable Google Drive: Settings > Files Library > Enable Google Drive > ON
- ❑ Accessing your files (Lumio files, board files, and Google Drive)

#### Interact: Discover What's New in Lumio (15 min.)

- ❑ Overview of new Lumio features (direct live link, data dashboard for games, equation editor, & PhET)
- ❑ Additional resources to consider to level up your lesson: Immersive Reader, choice boards, and the Lumio Library
- ❑ Set intentions for work time

### Teacher Perspective: Create lessons for students (50 min.)

- Sign into Lumio using Google and your school email account
- Explore and save new lessons/activities from the Lumio Library
- Import your existing content (Google Slides, PDFs, and Notebook)
- Create a game-based activity and add a ready-made page
- Walkthrough all available lesson creation tools

### Deliver and Share: Use your SMART Board to Engage Students (30 min.)

- Review how to share lessons for synchronous and asynchronous lessons
- Review how Lumio and iQ work together
- Connect student devices
- Level up your Whiteboard
  - Add ready-made pages
  - Convert to individual, small group, or whole-class pages on the fly
  - Add & customize widgets
- Practice running Lumio from the SMART Board

### Wrap Up & Closing (20 min.)

- Reflect on your progress and answer any remaining questions
- [Apply to become an ambassador!](#) Use what you created in today's session to easily apply in less than 5 minutes!**
- Resources (below)
- We appreciate your feedback: [Link to survey](#)
