I have no knowledge of any medical condition that would endanger my child or prohibit him/her from trying out for a sports team. I understand there will be physical demands placed on my child such as long distance running, jumping, sprinting, and other activities deemed necessary to determine athleticism, physical fitness, interest, and commitment to play a sport at a competitive level. Additionally, I will encourage and promote the academic eligibility requirements as per school district and PIAA/WPIAL policy.
