Career Exploration Camp

WHEN:

June 18-22 or June 25-29, 2018
Penn State Fayette, The Eberly Campus
8:30 a.m. to 3:00 p.m.

The STEM camp is a week of hands-on educational programming that will focus on the practical application of science, technology, engineering and mathematics in everyday life. This camp is designed for students entering 9th -12th grades. Students will have the opportunity to collaborate on academic exploration with Penn State faculty and industry professionals in project-based activities that foster creativity, problem solving, and critical thinking.
