Welcome to Kindergarten!

Dear Families,

We are thrilled to welcome your child to our Kindergarten class! This year promises to be full of fun, learning, and new experiences. As your child embarks on this exciting adventure, we will be exploring a world of creativity, friendship, and discovery together.

In this photo booklet, you'll find a glimpse of the people and places around the building your child will come in contact with throughout the year.

We look forward to partnering with you to create a nurturing and joyful environment where your child can explore, learn, and build lasting memories. Thank you for trusting us with this special year in your child's journey!
