Laurel Highlands is offering a SAT Preparation beginning approximately 2 weeks prior to each test date. A \$25 course fee, by check only, is required upon registration in the Guidance Office of the high school. This check will be returned to LH students if the student attends at least 4 of the 6 sessions. *Students from other districts are required to pay a \$50 course fee (non-refundable) to the guidance department prior to the start of the course.* Laurel Highland's students will be given preference during registration. **Classes take place from 5-8 PM in the library.** Please see the schedule for a list of all class dates.

Proper preparation for the SAT Exam involves taking a vigorous academic curriculum. Remember, that whether we like it or not, SAT scores are a major factor in the college admission process (Some schools are test optional this year, we encourage you to talk with your school of choice.) SAT scores determine what college a student can be accepted and the amount of financial aid to be given to the student.
